- To be eligible for CCS you need to be registered with **MyGov** and have updated your family information.
- For more information about your subsidy visit [www.education.gov.au/childcare](http://www.education.gov.au/childcare)

**IMPORTANT**

**How The Child Care Subsidy (CCS) Fortnight fits into this OCTOBER'S Holidays**

With the new government CCS cycle parents receive an amount of “Activity” hours each fortnight to use and if they go over these hours full fee is charged. For the October school holidays the CCS

fortnight falls across 2 separate activity periods.

**WHAT DOES THIS MEANS FOR YOU?**

**THE GOOD NEWS** is that for this holiday period , each week falls into a separate CCS fortnight and will help with not exceeding your activity hours.

**THE HOLIDAY ROUND-UP!** Guess what!  
**THE BUSKERS ARE BACK!!!** Every spring sees the return of the Buskers to Coff's harbour for our **“KIDS DAY SPECTACULAR!”** And seeing how it's spring we'd better get **SPRING LOADED** to have even more fun. We'll also be heading back to one of our favourite places, the **BIG BANANA WATER PARK** as well as checking out the new births and hatchings at **SYNCHRONICITY FARM** in the beautiful Orara Valley. All that combined with a new batch of **PRACTICAL JOKES AND PRANKS** and a **MYTHOLOGICAL MONSTER HUNT** makes for a whole lot of fun!

**Dave's Rave - A “FORTNITE” OF YOUR CHILDS TIME IS A PRICE YOU SHOULDN'T PAY!**

As we go to press the Liberal Party has taken a leaf out of the Labor Party's play book and knifed its 2nd Prime minister creating government chaos. As a nation we are fast becoming a Banana Republic, chasing populist ideas and quick fixes, changing direction at the drop of a hat and trying to appease the loudest “whinge” with no thought to long term outcomes. As a generation, we are doing the same!  
 The shifting sands of hollow promises, pandering to egos, taking the easy path and avoiding conflict is a recipe for disaster in life! **Always has been, always will be!** Good outcomes come from consistency, hard work, sometimes hard yards and unpopular leadership that provide firm foundations. Why am I banging on about this? **Because the same formula applies to parenting!** You and your children are drowning in a vortex of “technology for technology sake!” It's overload! Screen time has replaced playtime, to be used as both carrot and stick in the teaching of morals and ethics that are derived from Google, Facebook, You Tube, populist opinion and Instagram “nobody/somebodies!” **Your children need to be children!**  
 They do not need to be “connected!” They do not need a phone! They do not need to be constantly visually stimulated and amused by games such as “Fortnite” or the numerous other “adult games in sheep's clothing” that will follow. They are a “methamphetamine” drug destroying a generation of children. It's called “childhood” for a reason and we only get one. **PLEASE....**lets all work together to give your child the chance to enjoy it as a child!
